I see from a note addressed to the Secy of Govt Revenue Dept that Municipal Councils and Local Boards in the Madras Presidency are not authorized to grant rewards bonuses or medals to medical subordinates for meritorious services and that in 1895 a proposal of the Municipal Council of Trichy to grant a special remuneration to the Hospital Assts for good service done while on cholera duty was negatived by the Madras Govt.

The North Arcot Medical Relief Fund has repeatedly helped in some of the cases that have come before him that it was necessary on principle to grant rewards to Medical Officers

In the case of Native Officers rewards were granted on the

special recommendation of the Lord Lieut for time & time -

If private Watchmen are employed during the prevalence of Cholera or any epidemic, there is no objection to the Mr a Local Wks party them such rewards as may be deemed proper

In the case of Police Offrs, no rewards for any special or meritorious services should be granted without reference to the Lord Lieut -

In the case of Hospl Assts of the previous orders on the subject are to be modified & those rewards & fees should also be made subject to the approval of the Head of the Local Govt - i.e. Secretary to Govt -

Where the proposed gratuity exceeds one months pay of the Assist to be rewarded, I would suggest that the previous sanction of Govt be obtained. Vide Govt Lr No 1170 dated 17th Feby 1877 -

As the matter
is one of importance

passed are complete
I would refer the
question for reconsideration
